<h2>Call For Presentations - Speaker's Guide</h2>		
<p>The SolidWorks World planning committee is accepting submissions for the user agenda at SolidWorks World 2011! As a member of the Dassault Systemes SolidWorks community, you are invited to submit a presentation for consideration as a speaker at SolidWorks World 2011 International User Conference and Exposition taking place in San Antonio, Texas at the Henry B. Gonzalez Convention Center, January 23-26, 2011.</p>		
<p>The categories below outline the type of material that is needed to create informative and exciting presentations. We need your help to make this the best user agenda ever! Complete your submission on this site to be considered for a speaking spot at SolidWorks World 2011.</p>		
<h3>Categories</h3>		
<b>CAD Administration</b>	<b>Design Automation</b> <ul style="list-style-type: none"><li>• General</li><li>• API</li><li>• Design Tables</li></ul>	<b>Education</b>
<b>Customer Success</b>	<b>Design Communications</b> <ul style="list-style-type: none"><li>• General</li><li>• eDrawings</li><li>• Rendering</li><li>• Animations</li><li>• 3D Via Composer</li></ul>	<b>Modeling Essentials</b> <ul style="list-style-type: none"><li>• General</li><li>• Managing Large Assemblies</li><li>• Mold/Tool/Die</li><li>• Sheetmetal</li><li>• Surfacing</li><li>• Sketching</li><li>• Weldments</li><li>• Mechanical Design</li></ul>
<b>Data Management</b> <ul style="list-style-type: none"><li>• Team Management</li><li>• Enterprise Data Management</li><li>• Personal File Management</li></ul>	<b>Design Validation</b> <ul style="list-style-type: none"><li>• General</li><li>• Mechatronics</li><li>• Structural Analysis</li><li>• Flow Analysis</li><li>• Advanced Analysis</li><li>• Tolerance Analysis</li><li>• Sustainability</li></ul>	<b>Productivity Tools</b> <ul style="list-style-type: none"><li>• General</li><li>• Routing, Piping, Harnessing</li><li>• ECAD to MCAD</li></ul>
<h3>Presenter requirements</h3> <ul style="list-style-type: none"><li>• Must be a polished speaker with a minimum of 2+ years public speaking or teaching experience.</li><li>• Must be using the most recent release of SolidWorks at the time of the conference.</li></ul>		
<h3>Speaking opportunities include:</h3> <ul style="list-style-type: none"><li>• <b>Breakout Session Presenters</b> (sessions that last from 60 to 90 minutes) - must have experience presenting technical information effectively, providing interesting, original, and informative content. SALES PITCHES ARE NOT ACCEPTABLE.</li><li>• <b>Hands-On Sessions</b> (sessions that last from 60 to 90 minutes) - Hands-On sessions entail presenting to no more than a maximum of 30 attendees who will each have use of their own computer. Hands-On simply means that attendees will have the ability to follow along and actually "do" what the presenter does, so they have a "hands-on" experience in the session. The presenter must have experience presenting technical information effectively, providing interesting, original and informative content. Hands-on sessions require a second speaker to act as a guide to keep the class up-to-speed with the pace. SALES PITCHES ARE NOT ACCEPTABLE.</li></ul>		

CONTACT US
<p>If you have questions about the submission process overall, please email <a href="mailto:swspeaker@experient-inc.com">swspeaker@experient-inc.com</a> or call, +1.781.251.7742 for assistance.</p> <p><b>For website-related/technical questions</b> Phone: 1-888-711-1138 ext.241 or 905-889-6555 ext.241 (9:00 AM to 5:00 PM EST) E-mail: <a href="mailto:support@cmcg.com">support@cmcg.com</a></p>

Step2 – If you have created an account before today enter your USER NAME and PASSWORD.

FAQ	<b>LOG IN</b>
SOLIDWORKS WORLD	<a href="#">Forgot your Password?</a>
	<b>CREATE AN ACCOUNT</b>
	Don't have an account yet? Create one <a href="#">here</a> .

If you have not previously created and account you will need to do so by going to the CREATE AN ACCOUNT and filling in the required information.

<b>NEW ACCOUNT DETAILS</b>	
Please complete the required fields listed below in order to create an account.	
If this is your first time using this site, please create an account by entering the required fields (noted with an asterisk *).	
NOTE: You will be required to enter this information once. The information you enter will populate as-needed throughout the submission process, and for any additional proposals you submit for SolidWorks World 2011.	
Once you have completed this process, the "PROPOSAL BUILDER" button located on the navigation bar on the left will appear. Simply click on this button to build your SolidWorks World 2011 session proposal.	
Please complete the required fields listed below in order to create an account.	
Salutation:	<input type="text"/>
* First Name:	<input type="text"/>
Middle Name:	<input type="text"/>
* Last Name:	<input type="text"/>
Suffix:	<input type="text"/>
* Organization:	<input type="text"/>
* Title:	<input type="text"/>
* E-mail Address:	<input type="text"/>
* Username:	<input type="text"/>
* Password:	<input type="text"/>
* Verify Password:	<input type="text"/>
<b>CREATE ACCOUNT</b>	

Step3 – Once you are logged in select the PROPOSAL BUILDER and fill in your Proposal Title (Max. 10 Words) and Select CREATE A PROPOSAL.

STEP 1 - PRESENTATION INF...    STEP 2 - PRESENTATION ROO...    STEP 3 - PRESENTER

### Step 1 - Presentation Information

- \* I would like to propose the following type Session:
  - Break Out Session
  - Hands-On Session

I would like to propose the following type Session Is Required

\* Choose a category for this session:

\* Modelling Essentials Subcategory:

- \* Preferred Presentation Length:
  - 60 minutes (1 hour)
  - 90 minutes (1 1/2 hour)

- \* Presentation Level:
  - Beginner (0 - 1 year experience using SolidWorks)
  - Intermediate (1 - 3 years experience using SolidWorks)
  - Advanced (3+ years experience using SolidWorks)

\* Presentation Abstract:

Many situations within the SolidWorks realm require more imaginative solutions. Join a couple of Rednecks as they explore various methods of solving day-to-day modeling problems to administrative challenges that will either inspire your creativity or make you cringe.

Word Count†:  (Max: 45)

\* Attendee Benefits:

Attendees will learn how day-to-day modeling and administrative challenges can be overcome in inventive and sometimes bizarre ways. Our hope is that this will inspire users to think creatively in their efforts to solve their own day-to-day issues.

Word Count:  (Max: 40)
